

YOUR COURSE CONTENT

What you will learn

Imagine you want to develop a product and sell it profitably. You will learn what you need to do this with us! You will learn to explain how scientific forces can attack a product (technical mechanics), why it may then fail (materials engineering), what manufacturing techniques are available to restore the product (production engineering), and what all this has to do with electrical engineering - this is how we lay the engineering foundations. Then we move on to economics:

YOUR CAREER PROSPECTS

Our innovative approach that pays off

You are both a specialist and a generalist and are in demand in projects and companies worldwide. As an interface between technology and business, you speak both languages and mediate between different ways of thinking. You combine technical-scientific and economic-social-scientific content with ease.

You can overcome barriers between technology and management. You plan, organise and design work and business processes of all kinds. This will enable you to gain a professional foothold wherever technical and commercial challenges meet.

ADMISSION REQUIREMENTS

Our requirements

You can be admitted to study at SRH University Heidelberg if

~~you~~ you have a general higher education entrance certificate (Abitur), a subject-specific higher education entrance qualification (fachgebundenes Abitur) or an entrance qualification for studies at universities of applied sciences (Fachhochschulreife),

~~or~~ you can demonstrate at least two years of vocational training and a minimum of three years' professional experience, and have passed an aptitude test,

~~and~~ you have additionally passed our selection process.

English language proficiency:

~~IELTS~~ IELTS 6.5

~~TOEFL~~ TOEFL 80

~~Duolingo~~ Duolingo Certificate 110

~~PTE~~ PTE Academics 58

~~or~~ a comparable test

You do not qualify? No problem, SRH has its International College for students who do not qualify for direct entry into our programmes or need to bring up their English language level. You can choose from our Foundation programmes at the College. This is a direct pathway into our university. Find more about here . <https://www.srh-international-college.de/>

FEES AND FUNDING

Your tuition fees

Our tuition fees for the Business Engineering (B.Eng.) degree programme are €690 per month; you will also pay a one-off enrolment fee of €750 (Prices apply only to students from the European Economic Area).

Applicants from Non-EEA countries without permanent residence permit need to pay a tuition fee of 5,500 EUR per semester + one-time registration fee of 1,000 EUR and must pay the tuition fees for one semester in advance. From the second semester

onwards the payments for the remaining semesters of study are due six weeks before the end of the period of study already paid for. The payments have to be done semesterwise.

For more information and payment modalities, please refer to the current fee schedules (valid from 01.04.2023):

[Fees schedule non-EEA students](#)

APPLY NOW

Application process and deadlines

If you are interested in studying industrial engineering, you can send us your application online via the applicant portal. We will then carry out an applicant test, which includes tasks from the following areas:

~~L~~anguage comprehension English

~~M~~athematical understanding

~~L~~ogicAttention and concentration

~~G~~eneral knowledge

After the successful applicant test, an interview follows in which we want to get to know you personally and use the following criteria to assess whether you are suitable for the industrial engineering degree programme:

~~M~~otivation to study

~~R~~ealistic expectations

~~S~~elf-management

APS Certificate

Please note that special conditions apply to applicants from some countries:

India

From 1st of November 2022, applicants from India will be required to have their documents verified by the Academic Evaluation

Centre New Delhi (APS-India) before applying for a visa. After successful verification you will receive a certificate which allows you to initiate the visa process. Please note that the verification process at APS-India is expected to take approximately 4 weeks. We recommend that you apply for the APS certificate at the same time as you apply to SRH University Heidelberg. For more information, go to the APS-India website: www.aps-india.de

The People's Republic of China

The procedure of the Academic Evaluation Centre of the Cultural Section at the German Embassy in Beijing (Akademische Prüfstelle – APS) must have been successfully completed before you apply. The centre checks documents for authenticity and conducts interviews. The original APS certificate must be enclosed with the application documents. For more information, go to the APS website at: www.aps.org.cn .

Please note that you don't need to complete the APS procedure if you apply for our 3+1 programmes.

Vietnam

The Academic Evaluation Centre of the German Embassy in Hanoi has been checking the university entrance qualifications of Vietnamese applicants since 2007. The procedure includes checking the submitted written documents as well as an interview with the applicant. An original copy of proof of successful completion of this process, the APS certificate, must be enclosed with the application documents.
