

## YOUR COURSE CONTENT

# What you will learn

With the fundamental subjects (mathematics, physics, technical mechanics, CAD, electrical engineering, thermodynamics) you will immediately dive deeper into the exciting world of engineering. Building on these basics, you will then analyze technical questions and develop innovative solutions (machine elements, innovation management, product development). You will apply this knowledge in your industrial internship.

# Our requirements

You can be admitted to study at SRH University Heidelberg if

~~you~~ you have a general higher education entrance certificate (Abitur), a subject-specific higher education entrance qualification (fachgebundenes Abitur) or an entrance qualification for studies at universities of applied sciences (Fachhochschulreife),

~~or~~ you can demonstrate at least two years of vocational training and a minimum of three years' professional experience, and have passed an aptitude test,

~~and~~ you have additionally passed our selection process.

English language proficiency:

~~IELTS~~ IELTS 6.5

~~TOEFL~~ TOEFL 80

~~Duolingo~~ Duolingo Certificate 110

~~PTE~~ PTE Academics 58

~~or~~ a comparable test

You do not qualify? No problem, SRH has its International College for students who do not qualify for direct entry into our programmes or need to bring up their English language level. You can choose from our Foundation programmes at the College. This is a direct pathway into our university. Find more about here . <https://www.srh-international-college.de/>

## FEES AND FUNDING

# Your tuition fees

Our tuition fees for the Mechanical Engineering (B.Eng.) degree programme are €690 per month; you will also pay a one-off enrolment fee of €750 (Prices apply only to students from the European Economic Area).

Applicants from Non-EEA countries without permanent residence permit need to pay a tuition fee of 5,500 EUR per semester + one-time registration fee of 1,000 EUR and must pay the tuition fees for one semester in advance. From the second semester onwards the payments for the remaining semesters of study are due six weeks before the end of the period of study already paid for. The payments have to be done semesterwise.

For more information and payment modalities, please refer to the current fee schedules (valid from 01.04.2023):

[Fees schedule EEA students](#)

**APPLY NOW**

## Application process and deadlines

If you are interested in studying mechanical engineering, you can send us your application online via the applicant portal. An application test will then be carried out. This test includes tasks from the following areas

English language comprehension

Mathematical and physical understanding

General knowledge

We will then conduct an interview with you in which we want to get to know you personally and in which we will also use the following criteria to assess whether we can admit you to the mechanical engineering programme:

Motivation to study

Realistic expectations

Self-management

Resilience

If you have any questions or difficulties with your application, please get in touch with your contact person.

## APS Certificate

**Please note that special conditions apply to applicants from some countries:**

### India

From 1st of November 2022, applicants from India will be required to have their documents verified by the Academic Evaluation Centre New Delhi (APS-India) before applying for a visa. After successful verification you will receive a certificate which allows you to initiate the visa process. Please note that the verification process at APS-India is expected to take approximately 4 weeks. We recommend that you apply for the APS certificate at the same time as you apply to SRH University Heidelberg. For more information, go to the APS-India website: [www.aps-india.de](http://www.aps-india.de)

# The People's Republic of China

The procedure of the Academic Evaluation Centre of the Cultural Section at the German Embassy in Beijing (Akademische Prüfstelle – APS) must have been successfully completed before you apply. The centre checks documents for authenticity and conducts interviews. The original APS certificate must be enclosed with the application documents. For more information, go to the APS website at: [www.aps.org.cn](http://www.aps.org.cn) .

Please note that you don't need to complete the APS procedure if you apply for our 3+1 programmes.

## Vietnam

The Academic Evaluation Centre of the German Embassy in Hanoi has been checking the university entrance qualifications of Vietnamese applicants since 2007. The procedure includes checking the submitted written documents as well as an interview with the applicant. An original copy of proof of successful completion of this process, the APS certificate, must be enclosed with the application documents.
